Church Family,

Last Saturday, we had the opportunity to take ten children and five adult sponsors to Mission Ignition. This event, provided by Oklahoma Baptists, enables churches to bring their children to meet and learn about missionaries. The nations still need the good news of Jesus, and we must always be instilling in the next generation and prioritizing in our generation the urgency to go and tell others about the good news of Jesus Christ. Pray for these ten children this week. Pray that God would guide their hearts to love the nations as He does and desire to see His kingdom expand among them. Pray that God would raise up, even from among us, those willing to go to the ends of the earth with the gospel. Pray that we would have joy in sacrificing and partnering

with those who are doing this work faithfully. The Apostle John wrote in 3 John 5-8, *“Beloved, it is a faithful thing you do in all your efforts for these brothers, strangers as they are, who testified to your love before the church. You will do well to send them on their journey in a manner worthy of God. For they have gone out for the sake of the name, accepting nothing from the Gentiles. Therefore we ought to support people like these, that we may be fellow workers for the truth.”* This has been a critical calling for God’s people since the first century, and the work remains unfinished. Let us continue in this effort, generation after generation until He comes.

In Christ,
Pastor Trey

IN THE MEANTIME

- RECKLESS LOVE & SCANDALAS GRACE

Have you ever considered the scandalous grace of God? How He forgives even the worst of sinners who repent and believe, yet does not forgive a "good" person who refuses to believe? Or the love of a Good Shepherd who leaves the ninety-nine to seek out the one lost sheep? (Luke 15:3-7) The idea that God would go to any length to save even one lost soul can seem radical, even scandalous, to human reasoning. Yet, that's the beauty of grace—it defies logic and fairness as we understand it.

The song our choir will sing this Sunday speaks of how there is *"no shadow He won't light up, mountain He won't climb up, wall He won't kick down, lie He won't tear down"* to rescue His lost sheep. To the world, this kind of love may seem reckless—even foolish. Yet, I am so grateful that God pursued, forgave, and saved a wretch like me, despite my unworthiness. What an amazing, relentless love!

Can't wait to worship together again,
